The screenshot shows the 'Fingerprint Card' step of the process. It features a blue header with the instruction: 'Please send your completed fingerprint card along with a copy of your confirmation e-mail to:'. Below this is a text box containing the address: 'FBI CJIS Division', 'ATTN: ELECTRONIC SUMMARY REQUEST', '1000 CUSTER HOLLOW ROAD', 'CLARKSBURG, WEST VIRGINIA 26306'. To the right is a list of instructions for submitting the fingerprint card. At the bottom are 'Back' and 'Next' buttons.

- The FBI will process your request upon receipt of your completed fingerprint card in the date order it was received.
- Your fingerprints should be placed on a standard fingerprint form (FD-258), commonly used for applicant or law enforcement purposes. The FBI will accept FD-258 fingerprint cards on standard white paper stock.
- You must provide a current fingerprint card. Previously processed cards or copies will not be accepted.
- Your name and date of birth must be provided on the fingerprint card.
- You must include rolled impressions of all 10 fingerprints and impressions of all 10 fingerprints taken at the same time (these are sometimes referred to as plain or flat impressions). If possible, have your fingerprints taken by a fingerprinting technician. This service may be available at a law enforcement agency.
- Fingerprints taken with ink or via live scan are acceptable. If your fingerprints are taken via a live scan device, a hard-copy must be generated so the fingerprint card can be mailed to the FBI.
- To ensure the most legible prints possible, refer to the [Recording Legible Fingerprints](#) page. If fingerprints are not legible, the fingerprint card will be rejected. This could cause delays in processing and could also result in additional fees.
- The name on your response letter will match the name that you entered on your electronic DO request.
- If the last four digits of your Social Security number are needed on your response letter, then please ensure the full nine-digit or last four digits of your Social Security number is on the fingerprint card when submitting your request.

- You will be prompted to **Pay.gov** to complete payment process of \$18.00.

We strongly recommend you obtain your fingerprints from local law enforcement agencies (police station, sheriff office, etc.).
